

## Our Support Doesn't End at Graduation

As a graduate of Brown Mackie College — Atlanta, you will become familiar with Career Services because they are involved from the very beginning of your education. Working one on one with each student, you can count on a continuous relationship so you are never alone in reaching for your goals.

- Help Obtaining Supplemental Employment While in School
- Career Marketing Assistance When You're Ready to Graduate
- Instruction on Job Search Techniques
- Career Days Participation
- Externships to Help You Gain Real World Experience

## Dedicated to Career Development *Beyond the Classroom*

While providing guidance for a focused career path from the very first step, the Career Services Department at Brown Mackie College — Atlanta offers more than just individual attention in preparing our students for entry-level employment, they build relationships that prepare students for professional growth.

- Resume Development
- Networking with Employers
- Mock Interview Practice
- Career Fairs
- Improve Your Professionalism

## Meeting the Needs of Tomorrow's Employers

Our Career Services staff networks with employers and local Chambers of Commerce to create externship and employment opportunities for students and graduates. When you combine that with access to employment fairs, interview coaching, and insight into what employers are looking for, our students have available what they need to compete in today's job markets.

## How our graduates measure up

Of all 2009 Brown Mackie College — Atlanta graduates available for employment, 58.7% were working in a field related to their program of study within six months of graduation and earning an average annual salary of \$30,348.

Average salaries include, as applicable, annualized salary, overtime, hourly wages from multiple employments, and scheduled bonus payments. Graduates who have prior work experience and who are new to an employment field are included in the employment statistics.

\* Graduates available for employment excludes graduates who have waived employment assistance for one of the following reasons: medical condition that prevents full-time employment, active military duty, incarceration, death, non-immigrant status, furthering education load with minimum of 50% credit load, stay-at-home parent, or continuation of employment in an unrelated field with current salary in excess of entry-level salary.

**Above information excludes new programs for which there were no graduates.  
For a complete list of available programs, please contact the admissions department.**
